3 Ways to Put Money on Your Student's Lunch Account

#1 - Send cash or check with your student. Your student can add this to their account when they go through the breakfast or lunch line with the cashier. Elementary teachers collect lunch money in the morning and will send it down to the lunch room. Please write the student's pin number on the check. You can write one check per family.

#2 - Credit card/Debit card payment in the offices. Or over the phone call the Food Service Director at 419-655-2583 ex. 332

#3 Pay online at <https://payschoolscentral.com>. You can add money to your student's account and set up auto replenishment. To sign up for PaySchools reach out to your office secretary for your students id.

2023-2024 School Year

Students who qualify for FREE OR REDUCED lunches will receive a FREE Breakfast & Lunch

Free and Reduced Meal Applications

Completing the Free and Reduced Lunch Application helps in many areas beyond receiving free or reduced-price meals. It provides additional funding for state and federal programs and services at your school. This includes Title I service for student academic reading support, staff training, equipment and supplies.

Students that qualify for free breakfast and lunch also get their school fees waived.

To fill out the application go to:

<https://payschoolscentral.com>

It is quick and simple!

Paper copies of the application are available at any of the school offices.
