This is a SAMPLE FORM provided by the Ohio Department of Education that may be used to comply with the Head Start Performance Standards regarding dental examination and data (45 CFR 1304.3-3,4,5). The annual dental exam by a dentist is an oral diagnostic procedure which should include radiographs (x-rays) only if the dentist determines that they are absolutely necessary. This should be completed within 90 days of the child's entrance into the program. Developmental dental history should be part of health screening completed within 45 days of entrance.
