

The State of Ohio, by law, requires immunization for students who will be seniors. They are required to have a Meningitis Vaccine. Your child will not be able to start 12th grade until he/she shows proof from a clinic or a physician that they have been vaccinated against this disease. Contact your immunization provider and see if your child has received this vaccine. If so bring/send a copy of the immunization record to the school. Please do not give the record to a coach. If not, call now to schedule an appointment. Clinics fill rapidly DO NOT wait until summer to make your appointment. Submit proof of immunization to the school. Please feel free to call me with any questions.
