Today there will be a bake sale during lunch to support the Leukemia and Lymphoma Society, which raises money to research cures for blood cancer. A variety of baked goods will be sold (items will vary in price) so remember to bring your cash if you would like to purchase anything!

The Book Club will have their first meeting next Thursday, February 1st in Ms. Bay's classroom during lunch. Anyone is welcome! The first book is William Gibson's Neuromancer! Students can purchase their own book to bring, or we will share the PDF version with you at the first meeting. The February 1st meeting will be an introduction to Neuromancer, and we will determine how many pages we will read for each week in February.
