The Wood County Explorer Post is an extension of the Boy Scouts and is chartered under the Erie Shores Council Division. The Explorer Post trains young adults in several different areas of law enforcement, including but not limited to traffic control, laws of arrest and proper communication skills.

The Explorer Post is comprised of young adults that are between the ages of 15 to 21 years of age. Currently there are approximately 20 members.

For anyone who may be interested in a career in law enforcement, this is a great opportunity to gain some of the skills necessary and to get a better understanding of what law enforcement is all about. The Explorer Post meets twice a month and is also directly involved in many events throughout the year.

If interested, contact Elmwood SRO Deputy Thompson for any questions or an application.
