## **BOARD POLICY UPDATES**

(April 2022)

### **BYLAWS AND POLICIES**

#### **Policy 2271 - College Credit Plus (Revised)**

This policy has been revised to include the provision of R.C. 3345.32, requiring male students who are eighteen (18) years or older to register with the Selective Service System in order to participate in the College Credit Plus program.

#### **Policy 5223 - Released Time for Religious Instruction (New)**

This policy has been added at the request of the Superintendent and will allow LifeWise Academy to start their program.

#### **Policy 5511 - Dress and Grooming (Revised)**

Optional language has been added to state what is legally required with regard to enforcing the dress code in a nondiscriminatory/uniform manner. The language is an option because there is no requirement to include such language in policy or administrative guideline. Implementation of such measures is required in accordance with the stated principles, whether they are in writing or not, in order to comply with Title IX and Title VII.

#### **Policy 5772 - Weapons (Revised)**

This policy has been revised to include the most recent definition of "weapon" to include incendiary devices, explosives, and other objects defined as dangerous ordinances under State law. This definition is consistent with the revisions to other Weapons policies (3217, 4217) included in the Volume 40 Number 1 Update.

#### **Policy 6110 - Grant Funds (Revised)**

This policy has been revised to include the latest changes to the Education Department General Administrative Regulations (EDGAR). Specific requirements for Maintenance of Effort (MOE) and Maintenance of Equity (MOEquity) will need to be documented and provided at the time of audit of specific funded programs (ESSER, GEER, etc.)

#### **Policy 6114 - Cost Principles - Spending Federal Funds (Revised)**

#### **Policy 6325 - Procurement - Federal Grants/Funds (Revised)**

These policies have been revised to include the latest changes to the Education Department General Administrative Regulations (EDGAR). Specific prohibitions regarding costs incurred for telecommunications and video surveillance services or equipment are included, along with the Davis-Bacon prevailing wage provisions for contracts in excess of \$2,000 related to construction, alteration, repairs, etc.

#### **Policy 6423 - Use of Credit Cards (Revised)**

This policy has been revised to comply with AOS requirement to include the procedure for credit card issuance, credit card reissuance, credit card cancellation.

#### **Policy 7217 - Weapons (Revised)**

This policy is revised to include the recent revisions to Policy 1617/3217/4217 (Volume 40 Number 1 Update) based on the Ohio Supreme Court ruling in support of two statutes, R.C. 109.78 & R.C. 2923.122, regarding necessary training for any school staff designated by a board of education to carry a concealed gun during the workday. The definition of weapons has also been updated to align with current law.

It is important to note that the Court's decision acknowledged there could be an easy legislative fix to this requirement, and House Bill 99 was introduced in February 2021 to do just that. However, pending legislative action, school district boards of education that have authorized staff to carry concealed guns onto campus should be aware of this decision and should contact legal counsel to discuss immediate next steps to avoid violations of the law.

#### **Policy 8500 - Food Services (Revised)**

This policy has been revised to include appropriate references to conflict of interest and ethics policies that apply to food services procurement practices and clarifies the food/milk substitution provisions.
