

District Nurse, Angela Missig, will be our COVID-19 Coordinator per state order. She is responsible for tracking all COVID-19 positive cases and reporting confirmed cases to the Wood County Health Department. In order to expedite contact tracing and avert any further transmission of COVID-19 we are asking parents/guardians of all Elmwood students to please call the nurse line at 419.655.2583 extension 333 to report positive tests and/or cases of COVID-19 no later than twenty-four hours after receiving a positive test and/or diagnosis.

Within 24 hours of Elmwood Local Schools becoming aware of a student, teacher, staff member, or coach who has tested positive or been diagnosed with COVID-19, Elmwood will notify staff and families via an email of a positive test or case.

<b>New Cases from 1/6/2021-1/12/2021</b>	<b>This Week's Numbers</b>	<b>Changes From Last Week</b>	<b>Total Population Size</b>	<b>Percentage of Population</b>
Employees Quarantined	5	-	185	2.7%
Students Quarantined	78	-	1139	6.9%
Employees Isolated	2	-	185	1.1%
Students Isolated	5	-	1139	.44%

<b>Total Positive Cases starting 8/21/2020</b>	<b>Yearly Total</b>	<b>Total Population Size</b>	<b>Percentage of Population</b>
Employees	13	185	7.0%
Students	38	1139	3.3%

**Quarantined:**

14 days is the length of time that anyone who has been in direct contact with someone who tests positive for the COVID-19 virus must quarantine as symptoms can start anywhere from 2 -14 days after exposure. The quarantine period starts on the last day the person was known to have had contact with a person who tests positive. The quarantine may end only after 14 days if the individual was all symptom-free the entire time.

**Isolated:**

Individuals with symptoms who:

- Were screened and are at home,
- Had a positive test or had a probable diagnosis.

\*The school district cannot disclose specific case information due to FERPA/HIPAA laws.
