

Greetings Elmwood Community,

The seniors have wrapped up their time with us, and we are preparing for graduation this coming Sunday at 2 PM in the HS gym. I want to wish this group of seniors the best as they leave their high school life and start the next chapter. They are well prepared, and confident they will do well. I have included the board approved list of the graduates on the last page of the newsletter.

1. After two years, the 5th grade class went to Heartland Camp on April 20th through April 22nd! Students learned and held mammals, reptiles and amphibians in the nature center while at camp. They determined if a creek was healthy or not healthy by finding organisms in each layer of a food web. They also shot bows and arrows in archery class and used a compass to find their way throughout the woods. Using learned survival skills, they built a shelter and reached new heights by climbing up a rock wall. In the evening, students learned about Ohio Living History in the 1700s, played GaGa Ball and competed in Gold Rush games. It was an exciting outdoor adventure and an experience that students will never forget. Thank you to all the amazing 5th grade parents that came along with us this year!

2. The Elmwood FFA Alumni will be kicking off the Elmwood Elementary School Supply Fundraiser! Parents, grandparents, teachers, or anyone can log into the school site and order a school supply kit for next year! The kits will ship directly to the school if they are ordered before 6/19/2022. The Elmwood FFA Alumni will then disburse the kits at First Night to those that ordered. School kits may be ordered up until 7/10/2022 for “ship to the home” option with standard shipping cost. If anyone has questions, please use this email ElmwoodFFAAlumni@gmail.com or call 419-575-0312. This is the FFA Alumni’s very first year with this fundraiser and they appreciate any feedback and will be continuously trying to improve it to meet the needs of the teachers and students. If you see anything on social media, please help us promote it. Here is the link to order the kits: <https://www.write-stuff.com/storefront/school/ELSOH>

3. The following 7th graders were recognized throughout the month of April for displaying characteristics of our middle school ROAR acronym: responsibility, optimism, achievement, and respect. Each of these students also earned a Royal Way ticket to use at the middle school ROAR Store! Way to go, 7th grade!
