

From Habitat for Humanity

Habitat for Humanity of Wood County, Ohio is currently conducting outreach for our Homeownership Program. We are planning to build two homes in Wayne, Ohio in 2021. In order to do this we need to get the word out to help us find individuals or families in need of support and interested in applying for a Habitat home.

Over the next few weeks we will be reaching out to local businesses, social service organizations, schools, churches, etc. to help us spread the word. With your support we will be able to identify and help two more families achieve the dream of homeownership.

Attached you will find the following documents:

- Wayne Flyer - 2021 (which combines the flyer and the Homeownership Program Overview together). [CLICK HERE](#)

Thank you again for volunteering to help Habitat for Humanity get the word out!
