

PURPOSE OF ELMWOOD MUSIC BOOSTERS

The Elmwood Music Boosters exist for the purpose of supporting, promoting and maintaining all aspects of the Elmwood Middle and High School Music programs. These purposes are achieved through an active partnership between the student performers, parents/guardians and staff.

Parents/guardians of a band, choir or drama student in grades 5 through 12 are automatically members of the Music Boosters and are strongly urged to attend all Music Booster meetings.

The Music Boosters assist in controlling expenses by volunteering services, donating needed items, and providing assistance to the music staff and students. The Music Boosters sponsor various fundraising events and activities, such as: item order sales, raffles, Madrigal Dinner, etc., as approved by the Directors and the Music Boosters' membership. These fundraising methods provide financial assistance for special programs, band camps, college scholarships, trips, awards, etc.

Announcements of upcoming events and meetings are made on this website, sent home with students, posted on the school announcements TV, in the community newsletter, and local newspapers whenever possible. Minutes of the meetings will be posted on this website as well.

To achieve our purpose, the Music Boosters are always in need of people who are willing to help. Anyone who is interested in helping this organization should contact any one of the members listed on the Directory page.
