**Anytime.
Anywhere.**

Introducing the PFI Mobile App.

At Data Business Systems, we know that you're busier than ever, and you've been looking for faster and easier ways to stay connected to your students. That's why we'd like to show you our newest solution: a mobile app you can use with your existing PayForIt.net account.

- The PFI Mobile App, for smartphones and other mobile devices, brings parents and guardians 24-hour access to their student accounts at participating schools.
- Lunch account balance and cafeteria purchase history are right at parent fingertips, and parents can monitor up to 30 days of cafeteria purchases right from their mobile device.
- Deposit funds into student accounts in one simple and secure transaction.
- The PFI Mobile App is compatible with almost any Android or Apple iOS device.
- And much more!
