

## **ELMWOOD ATHLETIC BOOSTERS**

The Booster Club exists for the purpose of broadening the involvement of students, student families and the school, through support for all of the interscholastic athletic programs. The Booster Club works to achieve this purpose through active participation of as many parents and other supporters as possible in the Booster Club programs and in concentrated support for each sport, working closely with the coaches, athletic director, principal and the Board of Education.

- a) To support, promote, and maintain good sportsmanship in all Elmwood athletic activities.
- b) To promote and encourage better attendance to all athletic activities by parents, friends, students and faculty of Elmwood Schools.

- d) To assist the Athletic Department in controlling expenses by volunteering services to provide assistance to aid in the overall operation and maintenance of the stadium, fields, gymnasium or any other similar need as approved by the Athletic Department and agreed upon by the Athletic Boosters.
